Lead times

Lead time from stock is 1-2 days. For bespoke orders, please contact us to discuss lead times.

Other services

Colour matching - We offer a colour matching service, subject to minimum volume.

Bespoke styles - We offer bespoke style and counter-sampling services, subject to minimum volumes.

All of these services will require longer lead times – please contact us for details.

Marketing materials

Product images and other marketing materials are available upon request.

Testing and quality control

All fabrics undergo independent laboratory testing for shrinkage, colour fastness, specific weight and dimensional stability – The fabrics have achieved remarkably high scores on these tests to date.

All our garments are subjected to thorough quality control inspections.
